PLUSBUS is a cheap bus pass that you buy with your train ticket at the rail station or online. It gives you unlimited bus travel around the whole urban area of the town that's at the start or finish of your train journey (you choose).

PLUSBUS is an easy and cheap way of travelling to and from the rail station. You can also make as many other bus trips around town as you like. So if you need to pop to the shops, your mates house or the pub (before or after your train journey) that's just fine!
